

15 SERIES GE

Versatile HP in a Compact Frame

Offering either 65 or 74HP the GE is far from being a small tractor, yet in its compact frame boasting only 1180mm track width, it is both punchy and agile to take on large tasks in a confined area, designed with compactness in mind the GE series is well suited to Market Garden, Estate management, Orchards and small farms where space is at a premium, equipped with either 65 or 74HP engine, independent 540RPM PTO, 8x8 gearbox and 2050 Kg Hyd lift capacity makes it game enough to tackle all tasks for a tractor of this category.

15 SERIES GE

Versatile HP in a Compact Frame
